

FICHA TÉCNICA

Remache Inoxidable con rosca interna M5. (Small Flange)

Carbone Barandas Modulares

DESCRIPCIÓN

Remache con rosca interna M5. Flange reducido de acero inoxidable para tornillo M/F0385. El sistema de remaches de acero inoxidable con tornillos de rosca fina, permite que la rosca dentro del tubo sea mucho más larga lo que evitara que se afloje a futuro.

CÓDIGO

M/F042455

Marca: Carbone Barandas Modulares

Procedencia: Importado

Rosca: Interna M5

Material: Acero Inoxidable

Tornillo: M/F0385

INSPECTION CERTIFICATE
