

Ficha Técnica Comercial

Horno Eléctrico Empotrable Carbone

Modelo ALF70

Galería del Producto

Beneficios Destacados

- Diseño elegante en vidrio negro
- 8 funciones de cocción para mayor versatilidad
- Control intuitivo con perillas de diseño
- Seguridad reforzada con puerta doble vidrio Low-E
- Ventilador de enfriamiento para mayor durabilidad
- Manija y detalles en acabado premium

Especificaciones Técnicas

Model Number	ALF70
Product	Electrical Built-In Oven- 60 cm
Platform + Model	QB PEARLY
Pano Type	Glass
Colour of Panel	Black Glass
Colour of Door	Black Glass
Function	0+8
Cooling Fan	Yes
Door Layer	Double Layer Glass with low-e inner glass
Type of Timer	Mechanical Timer
Number of Knobs	Triple Knobs
Knob	Static Tulip
Handle	Tulip Painted
Colour of Handle	Matte Black
Embossed Side Racks	Yes
Standart Tray	1 pc.
Wire Grid	Yes (1 pc of Baseline Wire Grid)
Plug Type	B Type Plug
Bottom Resistance Power	800 W
Top Resistance Power	750 W
Grill Resistance Power	Inner resistance 800 W- outer resistance 750 W
Total Consumption	2509 W
Voltage	110 V
Frequency	60 Hz
Minimum and Maximum Temperature	50° - 255°
Volume	73 lt
Energy Class	A
Packaging Type	Styrofoam + Shrink
Approximately Weight Net/Gross kg	29/30,50
Labels	2 pc of Packaging Labels 4 pc of Rating Labels
Manuals	1 pc of User Manual 1 pc of Installation Manual
MOQ	For 1*20 HQ Cntr = 81 pcs. For 1*40 HQ Cntr = 216 pcs. For 1 Single Trail Truck = 240 pcs. For 1 Double Trail Truck = 276 pcs.
